

MARQUAGE AU SOL LUDIQUE,
EDUCATIF ET SPORTIF

Jeux longue durée

Résine thermocollée

**Conformité normes
européennes**

La société développe des jeux éducatifs et imaginatifs de plein air qui existent depuis de nombreuses années, destinés à l'école primaire, maternelle, centre de loisirs, crèche ...

Tous nos dessins sont fabriqués en résine thermoplastique, non toxique et avec des couleurs vives de longue durée, conforme aux normes Européennes, antidérapants et faciles à installer, nos jeux durent beaucoup plus longtemps et vous offrent beaucoup plus que les jeux peints.
